### C-141 Closure Page North Lea 3 Federal #1H Battery 1RP-5440

Ms. Barajas,

Please, complete and sign the attached portion of the form C-141 -Closure Page- and upload it via OCD's fee portal:

<https://wwwapps.emnrd.state.nm.us/oed/oedpermitting/>.

Anytime we receive a Characterization/Remediation Plan/Closure Report, we will need the corresponding pages of the C-141 in with that plan.

Regards,

Victoria Venegas  
EMNRD  
OCD-District II  
Artesia NM

*OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.*
