Kelly,

Unfortunately, the way the Fee Portal is set up, if a submittal comes in incomplete, we have to reject the entire thing. You will need to resubmit a complete packet back through the Fee Portal. It then puts your project at the back of the line since projects are worked in the order they are received.

If you have any questions or concerns, please let me know.

Thank you,

Mike Bratcher

Good Morning,

I'm sorry I forgot the Closure page. Since we paid the \$150 for the closure report, how do I submit this without having to pay again?

Kelly

Ms. Barajas,

Please, complete and sign the attached portion of the form C-141 -Closure Page- and upload it via OCD's fee portal:  
<https://wwwapps.emnrd.state.nm.us/oed/oedpermitting/>.

Anytime we receive a Characterization/Remediation Plan/Closure Report, we will need the corresponding pages of the C-141 in with that plan.
