1RF-455 - Rodney Robinson Recycling Facility

Mr. Cliff Humphreys
VP of Completions Matador Production Company
One Lincoln Center 5400 LBJ Freeway Suite 1500
Dallas, TX 75240
CHumphreys@matadorresources.com

Mr. Humphreys:

The Oil Conservation Division has reviewed Matador Production Company's Application and Form C-147 for the proposed Rodney Robinson Recycling Facility. The Application has been assigned OCD Administrative Order number 1RF-455. The Application is denied because it does not meet the requirements of 19.15.34 NMAC, as detailed in the attached letter of denial.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
