OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

To Whom It May Concern,

Under the new spill rule a Work Plan or Closure Report is due for the above release on February 26, 2020. COG is requesting a three-month extension until May 26, 2020 in order perform remediation at risk and prepare a Work Plan or Closure Report. Please let me know if you have any questions or concerns.

Thank you,

Brittany N. Esparza
