OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

To Whom It May Concern,

Due to the Work Plan being denied. COG is requesting a three-month extension until July 7, 2020 in order to collect additional samples to further evaluate area or perform remediation, if needed.

A Work Plan or Closure Report will be submitted for approval.

Please let me know if you have any questions or concerns.

Thank you,

***Brittany N. Esparza***
