Subject: 49-hour liner inspection notification - BEU #168 (released on 03/12/2020)

Good Morning,

This is sent as a 48-hour notification, XTO is scheduled to inspect the lined containment at BEU #168 (released on 03/12/2020) on Tuesday, March 17, 2020 , at 9AM MST. A 24 hour release notification was not sent out since the release was less than 25 barrels in volume. Please call us with any questions or concerns.

GPS Coordinates: 32.474659, -104.089355

Thank you

Adrian Baker
