RE: Incident #NAB1922033443

Brittany,

Your request for an extension to October 8th, 2020 is approved. This will be the **final extension** for this release. Under the new spill rule Closure Report is due for the above release on July 8, 2020. Due to the Work Plan being denied, COG is requesting a three-month extension until October 8, 2020 in order to perform additional sampling, determine depth to groundwater, prepare and finalize a revised Work Plan.

Thank you,
