Lynda,

Your request for an extension to October 9th, 2020 is approved. WPX is requesting the extension of the due date for submission of a closure report or remediation workplan for the incident, NRM2011138650, that occurred at Yates Federal #001 on April 14, 2020 until October 9, 2020. Field screening of the excavation this morning resulted in chloride concentrations over the acceptable limit. WPX has currently removed 40 cubic yards of soil and has collected delineation samples.
