OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**Subject:** [EXT] Extension Request- NRM2017643736 RDX Federal 17 #036H

Good afternoon,

WPX is requesting an extension to the current deadline date of September 14, 2020 for release RDX Federal 17 #036H incident # NRM2017643736 to submit a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC. Several breaches were found in the lined containment and WPX will be using the extension to finish delineations.

WPX requests an extension date of the current deadlines until December 11, 2020.

If there are any questions or concerns please do not hesitate to contact me.  
Thank you,
