Aimee,

Your request for an extension to **November 4th, 2020** is approved. XTO is requesting an extension of the current September 4, 2020 deadline for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC for the Poker Lake Unit 213 Battery (Incident Number NRM2017437201). The release was discovered on June 6, 2020 and remediation activities commenced on July 16, 2020. Remediation activities are currently ongoing, and the most recent laboratory analytical results indicate further excavation activities are warranted. In order to complete the remediation activities and submit a remediation work plan or closure report XTO requests a 60-day extension of this deadline until November 4, 2020.
