Mr. Pitt,

The OCD has approved the Final C-141 for incident # NCE2002946094 STATE L A TR 1.2 @ G-01-17S-36E 0N 0E. No further action is required at this time and the signed C-141 can be found in the online image data base under the incident #.

NOTE: In the future send all sampling notifications to OCD.enviro@state.nm.us. as required by 19.15.29.12 NMAC. Please include at a minimum, the site name, incident number (or RP# if applicable), date and time of sampling event. In the event that the time and dates change, it is the Operators responsibility to communicate to the OCD to reschedule the sampling event or request a variance for the sampling notification requirements. Please note that confirmation closure samples not collected in accordance to 19.15.29.12.D may not be accepted during closure and Operators may be required to collect additional samples.

Thank you,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
