Subject: [EXT] XTO-Extension Request-PLU 25 Brushy Draw West TB (Incident Number NRM2026546692)

All,

XTO is requesting an extension for the current deadline of December 7, 2020 for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC at the PLU 25 Brushy Draw West TB (Incident Number NRM2026546692). The release was discovered on September 8, 2020 and initial site assessment was conducted. Remediation work at the site is being finalized this week, pending the review of laboratory analytical results to confirm remediation work is complete. To provide enough time for the completion of a remediation work plan or closure report, XTO requests a 60-day extension of the deadline to February 7, 2021.

Thank you,

Kalei Jennings
Associate Consultant
Environmental Scientist
