**Subject:** Brannigan ANF Federal Battery (nAPP2112055203) Extension Request

Good Morning,

EOG Resources, Inc. respectfully requests an extension to the Characterization/Remediation Plan for the below listed location to October 1, 2021. Due to heavy precipitation and encountering an additional impacted area during the excavation, progress in excavating and hauling impacted material to disposal have been significantly delayed. The consultant performing the remediation at the site believes that they can complete the Characterization/Remediation Plan by October 1, 2021.
