CASING TEST AND CEMENT JOB ☐

OTHER: ☐

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent date, including estimated date of starting any proposed work) SEE RULE 1103.

Yates Petroleum Corporation respectfully requests permission to make the following changes to the APD for this well.

Change APD hole/casing size and cement volumes as listed below.

The new program is as follows:

Hole Size	Casing Size	Casing Weight/feet	Setting Depth	Sacks of Cement	Estimated TOC
14 3/4"	9 5/8"	36#	1100'	950sx	Surface
*8 3/4"	7"	23#	4,980'	800 sx	900'
8 3/4"	5 1/2"	15.5#	5,935'	800 sx	3,700'

*The 7" casing will only be set if hole conditions dictate. If 7" casing is set, the hole will be reduced to 6 1/8" and drilled to 5,935' where 4 1/2" casing will be set.

Thank you,

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
