RE: **Tandem Parke No. 001-** *Site Activities for Reclamation*  
Section 3, T17S-R30E  
API 30-015-04060

Mr. Sanchez,

Detailed herein is a summary of seeding activities at the site by Diversified Field Service, Inc. (DFSI). The well and pad at this site were previously removed on the aforementioned Parke No. 001. On April 08, 2014 a "Sundry Notice and Reports on Wells" was filed with the NMOCD for plug and abandonment. DFSI was retained by Tandem Energy Corporation in order to complete the requirements of reclamation. On July 16, 2014 DFSI tilled and broadcast a total of 50 pounds of native Lesser Prairie Chicken seed mixture over pasture area. The seed was then tilled into the soil, restoring the area to its natural state per BLM regulations.

Thank you for allowing DFSI to assist you in this matter. Please call me with any questions and/or comments.

Sincerely,

Natalie Gladden
