13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

See attached Documentation for approved work plan from NMOCD, Site Testing Data, and Initial C-141.

This Document is sent with the intent of seeking like approval for the above listed leak site remediation, as approved by NMOCD Artesia Office. This site will be remediated to NMOCD and BLM Guidelines, and as to the approved work plan from both agencies. Thanks you for your consideration of this matter.
