	☐ Convert to Injection ☐ I	Plug Back	☐ Water D	Pisposal	
Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.  EOG Resources, Inc. respectfully requests to shut in the above mentioned well due to temporary low commodity prices:  Date of last production was March 2020  EOG plans to restore these wells to production on or before April 1, 2021.
