13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

XTO Permian Operating LLC respectfully re-submits this sundry notice of final reclamation operations of the referenced well.

Final reclamation at Indian Flats Bass Federal #6 is complete. Activities from 5/20/2019 through 7/9/2019 included the following:

\*Removed equipment and debris from location (including miscellaneous scrap poly line and conduit on east side of location by the access road)

\*Remediated NMOCD spill file 2RP-4928 and removed impacted soils to approved disposal facility

\*Removed confirmed clean caliche well pad and lease road soils

14. I hereby certify that the foregoing is true and correct.
