Artesia, New Mexico 83210

Gentlemen:

30-015-35847

Your Application for Permit to Drill (APD) for the well listed below, which was previously extended, has expired because drilling has not commenced per Onshore Order #1:

<u>LEASE</u>	<u>WELL NAME AND LOCATION</u>	<u>ORIGINAL EXPIRATION</u>	<u>EXTENSION EXPIRATION</u>
NMNM82904	Adeline ALN Federal #14 ✓ 330'FSL & 2310 FWL, SENW, sec. 6, T. 24 S., R. 31 E.	09/20/2009	09/20/2010

If the well has not been spud, but site construction activities have occurred please contact Jim Amos at (575) 234-5909 for surface reclamation instructions. If drilling operations have commenced send all necessary reports (spud, casing/cementing, etc., 1 original and 3 copies) to the BLM so we may correct our records.

If you wish to drill this wells at a later date, please submit a complete application (1 original and 3 copies) to this office. Since the original APD has expired, the resubmitted APD will be subject to all processing requirements including the \$6,500 application fee and the 30-day posting period. Please note on the resubmitted APD that it was previously approved and we will review the expired file for information which will help expedite the processing.

If you have any questions, please contact Jim Hughes at (575) 234-5949.

Sincerely,

Accepted for record - NMOCD
