13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Reference inspection November 18, 2010 (Ref #11-BJB-000 and or #11-BJB-009).

The approved storage area located at WHLPSU # 16 has been completed and essential unit equipment has been moved to the storage area. All non-essential equipment and junk have been removed from the unit area, non-essential flow lines have been removed and unit signs have been corrected per your instructions. This should meet our extended compliance date for the end of February 2011. Thank you for your consideration.
