Operator,

The NMOCD District 2 Office has received a form C-103 from your company reporting a release of produced fluids that occurred on 2/23/2005. The release was along a flow line that runs between this well and the number 25 well.

Please submit a Form C-141 Release Notification and Corrective Action along with a remediation work plan for clean up of this release. The form is available on the OCD website. www.emnrd.state.nm.us/oed

Also on the website, is a publication entitled Guidelines for Remediation of Leaks, Spills, and Releases. This may be found under Publications/Environmental Handbook/Miscellaneous Guidelines/Spill Prevention Clean up. Please use this as a guide in formulating your work plan.

Please submit this work plan no later than April 22, 2005 with work to commence upon OCD approval of plan.

If I can be of assistance, my contact information is listed below.
