Subject: Amoco "11" Fed. No. 9 Tops/Locations

The Delaware Mountain Group and Brushy Canyon Formation (productive interval) tops and location of the tops for the Amoco "11" Fed. No. 9 are:

Brushy Canyon Formation
4836 ft MD
-1720 ft TVDSS
420 ft FNL & 1968 ft FEL
Section 11, T23S, R28E
Eddy County, NM

Please advise if the NMOCD needs additional well information for the Amoco "11" Fed. No. 9.
