Dear Bryan:

Per your request, this letter shall serve to confirm our conversation that MYCO Industries, Inc. will NOT be drilling the Throckmorton well as submitted to the OCD. MYCO and Bass Enterprises have entered into an arrangement which allows Bass to drill its BEU #149.

Should you have any other questions regarding this matter, please feel free to call us at 505.748.4290.

Best regards,  
MYCO INDUSTRIES, INC.
