Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for one (1) year to August 05, 2006.

Sources at Yates Petroleum Corporation have relayed information to me that the believe there will not be enough H2S anticipated from the surface to the Chester Formation to meet the OCD's minimum requirements for the submission of a contingency plan per Rule 118

C-144 attached NOTE: Revised BLM policy allows one extension for APDs, giving a total of two years on file. At that time, APDs are cleared from filing and a new permit must be submitted

APPROVED FOR 12 MONTH PERIOD
