Mike

Please accept this email as notice of COG's objection to the subject application. Our objection is based on not having a surface use agreement in place for this particular location.

Please advise if any further actions are required to formalize our objection.

Thank you,

Dean – here is one of the pit permits we sent to Rand. Maybe we had the wrong email address.

If you can send me the email of Mr. Burnett, I will not clog your email with the other pit permit notification.
