Devon Energy Production Company respectfully requests permission to Temporarily Abandon this well for a period of one (1) year, as it is uneconomical to produce this well at present. In the future, this well could have potential to be used as a water injection well.

NOTE: This well was officially temporarily abandoned on August 10, 2004. However, the paperwork did not get filed with the BLM until October 18, 2005. This date was already past the 1 year period of approval.

A CIBP is set at 1554'. Devon proposes to conduct pressure test of 500 psi for 30 minutes for a Mechanical Integrity Test and record on chart chart. BLM will be notified of date and time of Mechanical Integrity Test.
