		NA

If a Watercourse was Impacted, Describe Fully*

Describe Cause of Problem and Remedial Action Taken. *
Historical release(s) -- details unknown. Wellhead repairs and maintenance performed.

Describe Area Affected and Cleanup Action Taken. *
The area affected is approximately 15,000-ft ² on the well pad around the pumping unit and the adjoining area north and west of the pumping unit. Ocotillo Environmental LLC, Hobbs, NM contracted for remediation and site closure.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Operator,

The New Mexico Oil Conservation Division District II office (OCD) is in receipt of an Initial Report C-141 and Remediation Work Plan for cleanup/remediation of produced fluids releases that have occurred at the above referenced well sites. The documents were prepared and submitted by your agent, Ocotillo Environmental.

The Work Plans are accepted as presented with the following stipulations:

1. Notify the OCD District II office 24 hours prior to commencement of activities.
2. Notify the OCD District II office 24 hours prior to obtaining samples where analysis of samples obtained are to be submitted to the OCD.
3. Submit a Final Report C-141 to the OCD District II office upon satisfactory completion of each project.
4. Remediation work on all sites is to be completed by February 15, 2006.
5. Like approval by the Bureau of Land Management.

If I can be of assistance in this matter, my contact information is listed below.

Sincerely,

Mike Bratcher
