## NOTIFICATION OF RELEASE - MYRTLE MYRA SWD NO.001

The New Mexico Oil Conservation Division District 2 Office is in receipt of your remediation work plan to remediate the release at the Myrtle Myra Salt Water Disposal No. 1 (30-015-21515). This remediation work plan states that a combined 40 barrels of produced fluids (20 oil and 20 produced water) were released on 12/23/05. To date, no Form C-141 (Notice of Release and Corrective Actions) has been received by the OCD.

- OCD Rule 19.15.3.116.C [NMAC] requires immediate verbal notification within twenty-four (24) hours of discovery to the division district office for the area within which the release takes place.
- OCD Rule 19.15.3.116.C [NMAC] requires written notification within fifteen (15) days to the division district office for the area within which the release takes place by completing and filing division Form C-141.

Please provide the NMOCD District 2 Office a completed Form C-141 prior to January 20, 2005.

Thank you for your prompt attention to this matter and your efforts in helping to protect our environment and the infrastructure of the oil and gas industry.

Sincerely,

Artesia OCD District Office
