Diana J. Briggs

I am in receipt of a C-103 for the above well with a chart attached. Everything is in order except you did not indicate on the form what action was taken to prepare the well for this test. Since this was to repair a failed MIT test, I need to know what was done to the well. Please re-submit the C-103 with this information and I will attach the original chart to it. Thanx

Gerry Guye Deputy Field Inspector EMNRD-OCD Artesia
