Per verbal approval from Duncan Whitlock on 6/18/2018:

Devon Energy Production Co., L.P. respectfully requests permission to truck haul production during downtime for maintenance to pipeline. We will close the LACTs out on 7/29/2018 for the Plains pipeline repair and reprove the locations on this day for truck haul so we will have the correct meter factor. We will then truck haul for the next four days or until the repairs are completed, then close the LACTs out for the four days of truck haul, and reprove for pipeline sales.
