Underground Injection Control Program "Protecting Our Underground Sources of Drinking Water"

22-May-2003

ST. MARY LAND & EXPLORATION
PO Box 7168
Billings MT 59103-0000

154903

Dear Sirs:

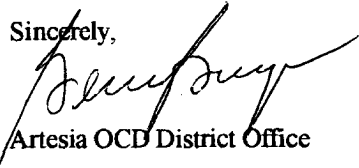

Our records indicate that the following well(s) are due for the type of mechanical integrity test indicated. If the required test is a pressure test, please have the necessary equipment on location and ready to commence the test at the specified time. For all types of tests, please have a representative on location to operate any valves or other equipment as necessary. Your representative should meet our inspector at the meeting place for each property indicated below.

Scheduled Inspections / MITs

If you have any questions or need to reschedule any test, please Mr. Gerry Guye at 505-748-1283 at the Artesia district office between 7:00 am and 4:00 pm, at least two weeks prior to the indicated schedule date.

Sincerely,

Artesia OCD District Office
