Re: ROE for Caddo Federal Wells
Sec. 17 T17S R30E

30-015-35244

Dear Mr. Arrant:

Per our conversation, I am requesting that you to please approve the Drilling of the Caddo Federal #1 & #2 Wells. The H2S concentrations from surface to TD, are low enough that a contingency plan is not required.

If we can be of any further assistance, please feel free to call.

Sincerely,

MACK ENERGY CORPORATION

Jerry W. Sherrell
Production Clerk
