RE: Artesia Gas Injection Well, Monthly AGI Information

Dear Mr. Guye,

Please find the enclosed monthly readings for the Acid Gas Injection well at Artesia Gas Plant for the month of December 2006. These are being submitted on a monthly basis due to the request by the OCD in lieu of the requirement to perform a yearly Mechanical Integrity test on the well. DEFS understands that we will be required to perform a mechanical integrity test on the well once every five years.

If you have any questions about this information, feel free to contact me at (432) 620-4165, or by e-mail at bafortin@dcpmidstream.com.

Respectfully
