OTHER: <input type="checkbox"/>		OTHER: <input type="checkbox"/>	

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Request to change plans to drill an 8-3/4" pilot hole to 5,600' MD/TVD on the Pickett Draw 16 #1-H. After drilling to 5,600' MD, electric line logs will be run to confirm the target formation. The open hole will be plugged back to approximately 4,684' MD/TVD and the well kicked off and drilled as a horizontal cased hole producer.

Attached is a preliminary schematic of the revised wellbore.

All conditions of Administrative Order NSL-5567 will be adhered to. The well will be completed as a cased hole with all perforations in the lateral shaft of the horizontal well being within the producing area.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☐, a general permit ☐ or an (attached) alternative OCD-approved plan ☐.
