RE: Letter of Violation
LOV No. 0219407
New Man Federal No. 1

Gentlemen:

Pursuant to this matter concerning the closure of the drilling pit on the New Man Federal #1 well, OGX Resources LLC has contracted Allstate Environmental Services, LLC of Midland, Texas to procede with this clean up. On this date, 10/11/07, Mr. Randy Offield with Allstate Environmental visited the well site and after viewing the reserve pit will promptly submit an application for pit closure with the OCD, Artesia. OGX has instructed Mr. Offield to commence actual work as soon as the pit closure permit is granted by the OCD. Hopefully, this action will address the violation to your satisfaction.

Yours very truly,

Steve Douglas
Engineer
