RE: Shut In Request: **South Four Mile Draw Federal #1**

Bryan:

According to letter dated May 2, 2007 from New Mexico Energy, Minerals and Natural Resources Department the above captioned well must be shut in in order to produce new well (South Four Mile Draw C Federal #1H), which is located at an unorthodox location. South Four Mile Draw Federal #1 was shut in on May 21, 2007

SOUTH FOUR MILE DRAW FEDERAL #1
30-005-62309 C-22-06S-22E
Current Status: Shut in 5/21/07

Sincerely,

A handwritten signature in cursive script that reads "Carol Shanks".

Carol Shanks
Production Analyst
