Dear Sir:

On February 20, 2008, we completed a follow up examination on the Mosaic 34 Federal #2h well located 371' FSL and 365' FEL, section 34, T24S, R28E in Eddy County, New Mexico:

During this follow up inspection I came across some issues that need to be addressed and corrected. This location is a candidate for interim reclamation. Please submit a plan on how you plan on downsizing this location to Bob Ballard 620 E Greene st Carlsbad, NM 88220. If you need all the space on this pad state the reason why in the plan. If all space is not needed for operation please downsize all areas that are not needed for operation and reseed with seed mixture #1. You can reuse the caliche removed for road repair, pad construction or for building firewalls. Submit plan on interim reclamation by March 20, 2008. If you have any questions or concerns you can call me at (575)234-2230.

Sincerely,

Bob Ballard
