Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for two (2) years to July 31, 2010.

Sources at Yates Petroleum Corporation have relayed information to me that they believe there will not be enough H2S anticipated from the surface to the Wildcat Basement formation to meet the OCD's minimum requirements for the submission of a contingency plan per Rule 118.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
