(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Devon Energy respectfully requests permission for off-lease gas sales. Gas flows thru a check meter on location before going thru Duke Energy's sales meter located approximately 1/2 mile to the west at Devon's Pecos 32L Fee Com #2, located in the NWSW of Section 32-T20S-R27E, Eddy County, New Mexico. Reported gas volumes will be based on the check meter, with volumes being checked against Duke's sales meter volumes.
