NOTES/COMMENTS:

**Dear Sir or Madam:**

Gene Shull of Shull Oil Field Services, who will be conducting the pit closure of the Paisano Federal #1 well, has informed me that there will be an one-day delay of the closing of the pit. Mr. Shull will be on site tomorrow to set-up but the actual pit closure will begin on Thursday, September 4, 2008 instead of tomorrow, as we previously reported to you on Friday.

If you would like to contact Mr. Shull, his cell is 505-626-6736 or you can contact this office at the numbers listed above.

**Thank you,****Jun Barrack**
