Sirs:

This is a re-entry of a Morrow formation dry hole and Nearburg Producing Company is going to re-enter and deepen to the Devonian to turn subject well in to a Salt Water Disposal. No production will be made from this well. We do not anticipate encountering H2S and fill no contingency plan is needed. Nearburg will have proper equipment on location in case H2S is encountered.

If you have any questions or need further information, please call me at the letterhead number.

Sincerely,

Sarah Jordan
Production Analyst
