Effective April 7, 2009, the completion date of this well, Premier desires to change the property name to the Dale H. Parke B-C, as shown above, rather than the Dale H. Parke B Tr. C. Because this well has the same ownership as our Dale H. Parke B-C #19 well and all oil and gas are going into the #19 battery, it is necessary for these two wells to have the same property code, which is #036628. This will facilitate the monthly production reporting.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
