NPC requests a TA extension on the subject well. The well has Wolfcamp potential but with current oil and gas prices, we find that it will not be economic to do this at this time.

A FINAL TA EXTENSION WILL BE GRANTED IF THE WELL PASSES AN

Ladies and Gentlemen:

Nearburg Producing Company respectfully submits the attached Sundry Notice (Form C-103) wherein we are requesting an extension to the captioned well's TA status.

Nearburg has identified potentially productive zones in the Covert No 2 Well; however, in connection with the downturn in oil and gas prices, Nearburg feels that it would be more economic if such completion attempt(s) were made in the future.

It is Nearburg's opinion that if we are forced to plug and abandon this well, the result will be the loss of potentially recoverable oil and gas reserves.

Should you have any questions or need additional information regarding this matter, please give me a call.

Very truly yours,

**NEARBURG PRODUCING COMPANY**
