**RE: Monthly AGI Readings
Artesia Gas Plant Gas Injection Well
API No. 30-015-32324**

To Whom it May Concern:

Enclosed are monthly readings for the Acid Gas Injection well at Artesia Gas Plant for the month of May 2010. These are being submitted on a monthly basis due to the request by the OCD in lieu of the requirement to perform a yearly mechanical integrity test on the well. DCP Midstream LP (DCPM) understands that we will be required to perform a mechanical integrity test on the well once every five years.

If you have any questions about this information, feel free to contact me at (432) 620-4207 or via email at jdbebbington@dcpmidstream.com.

Respectfully,

DCP Midstream, LP
