13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Yates Petroleum Corporation wishes to set conductor pipe on this well November 30, 2010 to save three (3) federal leases that are expiring on November 30, 2010. These leases are NM-105549, NM-10550, and NM-105551. We will be moving on a rig within 30 days after setting conductor pipe to conduct drilling operations.

Thank you.

**DENIED:** Operator to secure rig and be actively drilling hole for surface casing over expiration date of Federal leases. Submit sundry notice with rig name and layout.
