Sorry I'm just now getting back to you. We would still like to rescind the Grande State 5H APD. Thank you for letting me know about that approvals on the other wells. I'll check the OCD website and see if the approvals are up yet. Thanks.

Thank you,

Good afternoon Brittany,

I found an email from July 2010 that Louise Montague had sent to you regarding the Grande State wells #2H, 3H, 4H and 5H. When you replied, you wanted to rescind the APD for Grande State 5H. Is this still correct information?

The other three wells were approved on July 23, 2010. However, there was never any information entered nor were the documents scanned. That will be done ASAP. If you would just let me know about the 5H well please.

Thank you!
