CONDITIONS OF APPROVAL FOR PLUGGING & ABANDONMENT

Operator: Parallel P.V. LLC
Well Name & Number: Seebischnitt #1
API #: 30-005-41867

1. Produced water **will not** be used during any part of the plugging & abandonment operation.
2. Notify NMOCD Dist. 2 office at least 24 hrs before beginning work.
3. Trucking companies being used to haul oilfield waste fluids to a disposal – commercial or private – shall have an approved NMOCD C-133 permit. A copy of this permit shall be available in each truck used to haul waste products. It is the responsibility of the operator, as well as the contractor, to verify that this permit is in place prior to performing work. Drivers shall produce a copy upon request of NMOCD Field Inspectors.
4. A subsequent C-103 will serve as notification that the well bore has been plugged ONLY. A C-103 FINAL shall be filed before any bonding can be released on the well. Upon receipt of the Final, an inspection will be performed to verify that the location has been satisfactorily cleaned to NMOCD standards.
5. If work has not begun within 90 days of the approval of this procedure, an extension request must be filed, stating reason that well has not been plugged.
6. Every attempt must be made to clean the well bore out to below the perfs, before any plugs can be set, by whatever means possible.

Mr. Hawkins,

Attached is copy of C-103 for the Seabiscuit #1 & Affirmed #1 wells. We are requesting an extension on both wells, as BCM and Associates, who is doing the job for us, had problems and delays on their previous job. They should be going out to these locations tomorrow and then begin work on the first well.

Thank you so much,

Mary Ann Martinez

Dear Mr. Hawkins:

As you instructed, please find attached C-103's to P&A two Chaves County wells (Affirmed #1 and Seabiscuit #1). We request an extension to perform this work as our plugging vendor has been on his current P&A well for 3 weeks. He had planned to move to our wells in early May but unforeseen problems have prevented this. The vendor is running about 4 weeks behind schedule and we would appreciate a 5-6 week extension to complete our work. Our plugging vendor is BCM and Associates in Odessa, Texas. If you wish to contact them, please call Ben Montgomery at 432-580-7161.

Your consideration is appreciated and please contact the undersigned if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Randy Bredemeyer'.
