Re: State Well No. 1 Unit A,  
Sec 36, T9S, R26E, Chaves,  
County, New Mexico

Dear Mr. Holmes:

A field inspection of the subject well December 11, 1959, revealed that the pits had not been filled and that the location of the well had not been permanently stenciled on the marker. When this work has been completed please notify this office so that we may make a final inspection of the site.

Yours very truly,

OIL CONSERVATION COMMISSION

M. L. Armstrong,  
Supervisor, District No. 2
