TD 2440  
Casing 8 5/8" @ 402' with 150 sks.  
Temporarily abandoned

With the exploration that we have done and the seismic work that is of the immediate past and current, we feel that at least some of these holes will be re-entered. We are hopeful that since Plains Radio Broadcasting Company is owner of the land, with a substantial interest in the minerals, that you will bear with us further.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
