Gentlemen:

We are enclosing the original and two copies each of the Sundry Notices and Reports on Wells for the commencement of drilling operations and Notice of Intent to Plug and Abandon. Also enclosed is the Cementing Affidavit from Byron Jackson Inc. to cover the cementing of the 8-5/8" surface casing.

Due to rains the location had not been cleared, but we were contacted today and the location should be cleared and a marker set by this weekend. When this work has been completed, we will send you the remaining Sundry reports, Well Record, Cementing Affidavit for the plugging and the Logs.

If you need additional information, please advise.

Yours very truly,

Neil W. Weldon, Manager
Drilling and Production
